I am very much willing to come for an interview anytime at your convenience.

Sincerely,

Bryan M. Balantes
   Applicant

February 17, 2024

Sir / Ma'am:

Warm Greetings!

I am Bryan M. Balantes, 31 years old single and a resident of Purok 5, Lidong Sto. Domingo, Albay.

I am holding two Bachelor's Degree, one is Bachelor of Science in Computer Engineering which I obtained at Aquinas University of Legazpi on March 31, 2015, and the other one is Bachelor of Science in Information Technology at STI College of Legazpi on April 26, 2019.

The trainings and online programming courses I have attended honed much my I.T. skills particularly in programming languages such as Java, Python, C#, JavaScript, and markup language such as HTML5, and CSS thus, made me feel more confident in applying for that position. I had my NCII in electrical installation and maintenance, and computer hardware servicing.

I had my On-the-Job Training at Philippine Statistics Authority Office Legazpi from December 3, 2018 to March 8, 2019.

I had my work experience as CCTV operator at Embarcadero Land Ventures Inc. from May 6, 2019 to November 29, 2019, and as clerk processor b at National Housing Authority, Ligao City from February 15 to April 15, 2021 on a job order status.

I am a hardworking person and do my job with utmost commitment, dedication, and professionalism.

I was awarded "Spot Award", and "All Day Everyday Award" by my employer where I had my first work experience.

I earnestly hope and pray that you consider my qualifications and give me the chance to share my expertise in programming.

I am very much willing to come for an interview anytime at your convenience.

Thank you very much.

Very truly yours,

Bryan M. Balantes
